

Hopscotch Homecare is growing and urgently need Care Workers

We are a very caring, well-established and expanding care agency that has been providing care workers to clients in and around Camden for 20 years. We are looking for care workers who would like to help our clients to continue living safely and independently in their own homes.

We focus on personal development of all our staff and this role will enable the successful candidate to take advantage of extensive training and a career-track development. We offer lots of other benefits so you can maximise your potential!

Qualities Needed:

- Caring and calm personality with a passion for high standards
- Adaptability to help the service remain responsive to the needs of clients
- Skills to enjoy working as part of a team that works and learns together

Role Responsibilities:

- Providing a high-quality service that places the individual at the centre of care provision
- Assisting with personal care, including skin care, bathing, shaving etc
- Enabling mobility ie transfers, pushing a wheelchair, checking of specialist equipment
- Dietetics, including assistance with menu planning, preparing, serving and storing of foods
- Assist with medications as prescribed by the medical team
- Day to day household tasks i.e. changing beds, laundry, ironing, shopping
- Respect for client confidentiality and discretion at all times
- Reporting & Recording as per company policy & procedure
- Commitment to identifying and fulfilling on-going personal development
- Adhering to company policies and procedures at all times
- Attending induction training and annual refresher courses

Excellent Benefits and Incentives Offered:

- Comprehensive induction and ongoing training
- Very competitive wages London Living Wage £10.75ph
- Company pension scheme
- Generous annual leave allowance and sick pay
- Flexible work hours
- NVQ in Health and Social care and career development opportunities
- Smartphone app that makes your day-to-day admin tasks easier
- Enhanced DBS check

Areas We Service: Camden and surrounding areas

Shift Pattern: Day/Night hours available and must be able to work at least two late shifts a week and alternate weekends.

Role Types: Full-time, Part-time, Contract

Experience: Caregiving: 1 year (Preferred)
